IRRIGATION & CAD (PW : REFORMS) DEPARTMENT

G.O.Ms.No. 24

Date :24.05.2011.
Read the following :-

1. M/s. Oil and Natural Gas Corporation Limited Lr.No. ONGC/EOA/SA-2/ G- 1&GS-15 /UTILITY /WATER/10, dated 21.09.2010.
2. Engineer-in-Chief (Irrigation),Hyderabad Endt.No.ENC(I) DCE.IV/OT GDS/AE12/ONGC/10,dated: 23.03.2011.

ORDER :-

In the reference first read above M/s. Oil and Natural Gas Corporation Ltd., has informed that they intend to set up a on-shore terminal at Odalarevu in Allavaram Mandal of Amalapuram division in East Godavari district to process oil & gas from G1 & GS-15 fields off Amalapuram coast in Krishna Godavari Basin, and the project is scheduled to be completed in May 2011. M/s.ONGC has requested to allocate 300 M3/day(0.123 Cusecs) of water from Koushika Main Canal for carrying out operation of on shore terminal in Komaragiripatanam, village.

In the reference 2nd read above the Engineer-in-chief (Irrigation), has stated that the Superintending Engineer submitted that in the report of Expert Committee on Modernization of Godavari Delta System a provision of 19.54C/s has been allocated for drinking water and Industrial purpose in the Kowsik Channel from km.54.983 to 64.00 tail end of Amalapuram canal. The discharge in Kowsika canal at the point of proposed drawal is 90.84 Cusecs. Further , the Superintending Engineer has recommended to accord permission to M/s ONGC Ltd., to draw 0.123 C/s of water from kowsica channel tail and at KM. 6.910 during the period from June to December with the following conditions and also for laying water pipe line in the Irrigation Department land for crossing of canals.

Government after careful examination of the proposal hereby accord permission to the ENC(Irrigation), Hyderabad to supply 0.123 C/s of water per day from kowsica channel tail and at KM. 6.910 during the period from June to December for carrying out operation on shore terminal in Komaragiripatanam, village and also for laying water pipe line in the Irrigation Department land for crossing of canals, at Kowsica main channel near Komaragiripatnam village of Allavaram Mandal, E.G.District.

In addition to the above the below mentioned conditions as stipulated by the standing committee and other general conditions will be scrupulously by the agency.
Conditions :-

1. The water can be spared on the availability of water in the kowsica canal.

2. The entire cost of construction of pump house, pipelines excavation etc., should be borne by the user only.
3. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the user shall be present at all times for inspection.
4. The industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate / royalty the permission to draw water shall stand cancelled.
5. No filed bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accord by the Government the lease of Government land should be paid as fixed by the Government only.
6. The Industry shall obtain the prior concurrence of concerned Departments for laying pipelines crossing etc.
7. The Industry should make their own arrangements for supplementation of water in their premises only.
8. The Industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural sources.
9. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
10. The Irrigation Department is no way responsible for non-supply of water due to any reasons.
11. The firm must acquire the private land for installation of pumping arrangements.
12. The water drawn from the Kowsica canal, should be utilized for the purpose for which permission is granted any misuse in this regard will entail cancellation for the permission without any notice and liable for imposition of penalty.
13. The Industry should follow the Revenue Board Standing orders.
14. The Industry shall pay Security Deposit at 2.5% on ten years water charges for which permission is granted.
15. The permission shall be for a period of 10 (ten) years only. The permission shall be renewed well in advance before the expiry of permission.
16. The Industry shall pay one year water charges as advance before entering into agreement.
17. The Industry should follow the G.O.Ms.No.39, I&CAD Department, dated 2-4-2002 and must pay the rate of Rs.4.50 per 1000 gallons as there are no return waters from the Industry.
18. The Industry should make its own arrangements for silt storage during the canal closure periods.

19. The firm has to conclude an agreement with the concerned S.E., Irrigation Circle, Dowlaiswaram as per B.S.O.
20. A detailed plan showing the location, the intake arrangements, details of pump house, conveyance system etc., shall be furnished to the Department.
21. The industry shall abide any other conditions laid down by the Government / Department from time to time.
22. The firm has to pay the water charges for the permitted quantity in advance at the start of the financial year ie., before 10th April, every year as per B.S.O.

The Engineer-in-Chief (Irrigation), Hyderabad shall take further necessary action in the matter.
